This is in response to the Office Action mailed March 26, 2003, having a period for response set to expire on June 26, 2003.

REMARKS

In an Examiner Interview conducted on May 12, 2003 the Examiner states that "Examiner agrees to consider the Applicants arguments (sic) put forth in a response to the previous office action, at which time the Examiner will either allow the case, or issue a non-final office action ..."

Accordingly, Applicants respectfully incorporate by reference arguments set forth in the Remarks at pages 6 to 11 of the Preliminary Amendment filed March 3, 2003 herein.

Further, Applicants traverse the rejections in the Office Action and request reconsideration based on the aforesaid arguments of the Preliminary Amendment as incorporated herein, since the rejections in this Office Action and the previous Office Action are substantially identical.
